

Corona: hygiene measures

The health of our customers and employees is very important to us. For this reason we strongly urge you to follow the RIVM hygiene guidelines. Please ask everyone to take this into account so that together we can reduce the risk of contamination.

Measures at our company:

Wash and disinfect hands regularly.

Cough or sneeze in your elbow.

Keep 1,5 meters distance from each other.

Use paper tissues.

Do you have a cold?

Stay home until the symptoms are over. Contact the stable owner about the care of your horse.
